Kenya Project: St Joseph's is to join St Francis de Sales' parish in their charity project to assist young women in the area of Urenga, Kenya. When girls reach puberty, they lose a term each academic year as they have no adequate protection during their period. Following a visit to Kenya in January 2025, Fr Zbigniew and a Kenyan parishioner asked the parish to help 50 girls to provide 'Dignity Packs' of reusable pads, underwear, and a supportive letter of encouragement. 100 packs were sewn, £3000 raised to buy 4 treadle sewing machines, a sewing teacher was found, and a sewing school begun with 60 girls enrolled. A total of 19 sewing machines have now been acquired, and 20 girls have qualified in basic machine skills – all also learning hand sewing. Fr Zbigniew has just returned from another trip to Urenga - needed now are: donations of unwanted printed cotton/polycotton; unwanted towels, duvet covers, and sheets. Money is needed for: wages for sewing teacher (£1000 a year), shipping costs, fabric (about £400 a year), and underwear (£300 a year approx). Teresa Dykes from St Francis' Parish will speak to us at Masses next Sunday about the project, and the many ways we can help grow this project which has already proved life-changing for many!

CENTENARY of St Joseph's Church 2027: Next year will see the centenary of the building of our parish church in 1927! Clearly, we wish to mark this milestone with events, celebrations and initiatives next year. Thoughts and ideas are encouraged, and it is hoped to then form a **Centenary Committee** to plan our celebrations. Please share your interest and ideas with Fr Michael and the Parish Office!

PARKING IN HAWTHORNE ROAD! A complaint has been received from residents in Hawthorne Road (opposite the church) about ongoing and persistent illegal parking. Many parishioners are parking here to attend 8.30am and 11.00am Masses on Sunday causing a serious and ongoing problem for residents due to: parking across dropped kerbs; on and across white no-parking access lines; on double yellow lines; and in positions that block

driveways and restrict vehicle access for residents, causing them significant disruption, stress, and inconvenience, which could also prevent access for emergency services. **RESTRICTIONS ARE CLEARLY MARKED, YET ARE BEING IGNORED!** Repercussions and fines may well follow if this situation is not resolved. Please take note, and park legally with courtesy to residents.
